American Society of Plant Biologists (ASPB)

November 2010

UPCOMING ASPB & SECTION EVENTS

Western Section

February 26 -27, 2011
CSU - Long Beach

Midwestern Section Spring Meeting

March 19-20, 2010
Purdue University

Mid-Atlantic Section

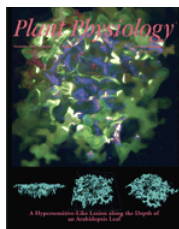

Spring Meeting
April 8, 2011

Southern Section Annual Meeting

April 9-11, 2011
Gulf Coast Research Lab

Plant Biology 2011

August 6-11, 2011
Minneapolis, MN

Join us in our **Online Community**. Through the new website, you can participate online. Select the group(s) you are interested in. Some groups are restricted to members.

IN THE KNOW

It's time to **RENEW** your membership for 2011 by logging in and then clicking on Membership Info on the right side of the screen

After renewing your membership, you can, if you wish, purchase print journals subscriptions and sectional memberships at the [Members Only Store](#)

Please participate in the [ASPB News reader survey](#) to help make the *ASPB News* the best society newsletter out there.

Call for Papers: *Plant Physiology* Focus Issue on *Plastid Biology* - deadline December 1

ASPB journals now include optional non-Latin spellings of author names

NSF Releases 2011 solicitation for Plant Genome Research Program; proposal target date: January 28, 2011

ASPB members selected for Presidential Early Career Scientist awards: plant biologists Dominique Bergmann and Magdalena Bezanilla receive honors

Danforth Plant Science Center picks ASPB member Jim Carrington as next president

ASPB members lead New Plant Genome Research Program awards

European Research Council publishes call for Advanced Grants of up to €3.5 million open to Europeans worldwide and all working in Europe

NIH Directors Early Independence Award for graduate students to move directly into independent positions

October 21 ASPB Washington Report available

USDA's National Institute of Food and Agriculture implements new organizational structure

Department of Energy recruiting **new director for Office of Biological and Environmental Research**

WEB FEATURE FOCUS

Each month we will focus on features of the new ASPB website. This month find about **MANAGING YOUR PREFERENCES** and how you can use them to control the emails you receive from ASPB!

You can also find out about **GROUPS**. What are they, how can they improve your ASPB experience, and how can they help you network with other ASPB members?

TEACHING TOOLS IN PLANT BIOLOGY

Check out the latest edition of **Teaching Tools in Plant Biology**, "Ethylene." Starting with the April 2010 edition, Teaching Tools are available only through subscription to *The Plant Cell*. Encourage your [librarian to subscribe](#) or [join ASPB](#) for online access.

CAREER CENTER

Assoc. Director Office of Science for Biological & Environmental Research, Germantown, MD, USA
Department of Energy (posted 11/15/2010)

6701700 (Post-Doctoral Researcher), Columbus, Ohio, USA, Ohio State University (posted

10/25/10)

UPCOMING EVENTS OF INTEREST

11/22/2010 - 11/27/2010 [8th International Workshop on Sulfur Metabolism in Higher Plants](#)

01/07/2011 - 01/11/2011 [The International Biogeography Society will hold its 5th Biennial Conference](#)

01/17/2011 - 01/22/2011 [Keystone Symposia: Plant Abiotic Stress Tolerance Mechanisms, Water and Global Agriculture](#)
